Air & Space – Special Mission Aircraft

Regional Focus

Baltic Sea Region

NATO's Baltic Sentry

India

Indian Naval Air Arm

Dossier

News from Navies and Naval Industry

Naval precision fire comes of age.

The three navies actively pursuing a Tomahawk purchase are the Royal Australian Navy (pictured), the Japan Maritime Self-Defense Force and the Royal Netherlands Navy.

With Tomahawk being an established, state-of-the-art conventional strike weapon available in numbers but continuing to evolve its concept and capability, it fits the 'precise mass' requirement.
